

# BUILD BETTER PRODUCTS TOGETHER

● WATCH OUR STORY ●

“

In order to build great products you need to know how to communicate with people. Whether you do that through design, programming, or pitching. Some of the best advice I received in university for getting better at communication...is to go to parties.

● Noah Mcallum  
Product Vision Founder

## ABOUT US

### We

foster product perspective, develop entrepreneurial mindsets and inspire big thinking through interactions with PMs, designers, executives, founders and thought leaders from the technology industry. Our mission is to create an inclusive supportive community of product-enthusiasts.

## OUR PEOPLE

PEDJA RISTIC

The most handsome designer in all the land
